
Degrees

- 2006 – 2013 **Civil engineer in computer science** specialized in computer networks and security
Relevant courses : *Design of embedded systems, Software requirements and architecture, Computer system security, Computer networks : configuration and management.*
Dissertation : *Optimizing the parallel computation of rainbow tables for cryptanalytic TMTO's.*
Université Catholique de Louvain
- 2000 – 2006 **Higher Secondary Certificate** (*math 6h, science 6h*)
Institut Saint Albert

Experiences

- 2013 – 2014 **Discovering a new reality and growing up as a person during a 6 months travel across Southeast Asia.**
Thailand, Myanmar, Cambodia, Vietnam, Lao, Malaisia & India.
- oct. 2013 **Setting up of a web server and development of a web site and mobile App.** (*Internship*)
Caravane Media
- 2010 – 2011 **User support in a computer help desk** (*second and third line*)
Service Desk, Université Catholique de Louvain
- 2010 – 2012 **Private lessons of mathematics** (*higher secondary education level*)
- 2008 – 2009 **Management of an SME's computer park** (*Internship*)
Belrobotics
- 2007 – 2008 **Computer setup and repair**
GlaxoSmithKline Biologicals
- 2006 – 2007 **Waiter at receptions and weddings**
La Ferme de la Tour

Languages

- French Native language.
English Fluent.
Dutch Basic knowledge. I was fluent in dutch when I was 6 years old but lost most of it since.

Informatic skills

- Languages Excellent knowledge of **HTML, CSS, Javascript, PHP, SQL, Java, C, Objective C, Python, Ruby, Mozart Oz and Matlab.**
- Software engineering I have studied **requirements engineering** techniques (**UML**) as well as most **programming paradigms** (object-oriented, multi-agent, distributed programming, reflexion).
- Specific knowledge **Minix** kernel, **RFID** security, **LTSA**, **μ C/OS-II**, **Verilog** & **SOPC**.

Achievements

- Sedra Homemade CMS to manage multiple websites including, but not limited to :
— bertrandneuman.com — eurinvestpartners.com — kymove.be
— siebensprl.be — vbhpartners.be — royalbowl.be

Interests

- Technologies I am **autodidact** in informatics. I learned web design by myself at the age of 14.
Sports I love **biking, snowboarding** and **sailing**.
Grape harvest Once a year at *Domaine de Mellemont*.
